## X-Caliber Capital Named as One of Fortune's Best Small Workplaces in 2022

Rapidly Growing Commercial Mortgage Lender and Servicer Makes National List

**Irvington, NY – August 8, 2022** – X-Caliber Capital, a national, direct commercial real estate lender focused on impact lending, announced today that Fortune has honored the company as one of the 2022 [Best Small Workplaces in America](#). This is X-Caliber Capital's first time being named to this prestigious, national [list](#) of 100 companies coming in at [number 48](#). Earning a spot means that [X-Caliber Capital](#) is one of the best small companies to work for in the nation.

The Fortune National Best Workplaces list is highly competitive. [Fortune](#) and its partner, [Great Place to Work](#), publish the list annually. Great Place to Work, the global authority on workplace culture, selected the list by using rigorous analytics and confidential employee feedback.

"What an unbelievable honor to be recognized on a national level," said Chris Callahan, President and CEO of X-Caliber Capital. "Our team is beyond thrilled to be a recipient of this top recognition, and we are more committed than ever to continue to focus on developing our workplace culture as we realize its importance in driving our corporate success to new levels. The entire X-Caliber Capital team has worked very hard to ensure we carefully create the most positive workplace possible, and we are extremely proud of this accomplishment."

The Best Small Workplaces list and Great Place to Work analyzed the survey responses of over 30,000 employees from Great Place to Work-Certified™ companies with 10 to 99 U.S. employees. In that survey, 100% of X-Caliber Capital's employees said the company is a great place to work.

"It's not the size of an organization that makes it great, but how the organization treats its people," says **Michael C. Bush, CEO of Great Place to Work**. "Leaders at these companies put their people first, and in return, achieve stronger business results than the average workplace."

Great Place to Work is the only company culture award in America that selects winners based on how fairly employees are treated. Companies are assessed on how well they are creating a great employee experience that cuts across race, gender, age, disability status, or any aspect of who employees are or what their role is.

This is X-Caliber's second national recognition this year. In January, X-Caliber Capital was certified nationally as a Great Place to Work. In June, the Company was named a Fortune Top Best Workplace in New York. To learn more about what makes X-Caliber Capital a great culture, check out our Great Place to Work profile [here](#).
