## **X-Caliber Named as One of Fortune's Best Small Workplaces in 2024**

Fast-Growing Impact Lender and Servicer Makes National List for Second Time

Irvington, NY – August 28, 2024 – X-Caliber, a national, direct commercial real estate lender focused on impact lending, announced today that Fortune has named the company as one of the 2024 Best Small Workplaces in America.

This is X-Caliber's second time being named to this prestigious, national list of 100 companies coming in at number 13.

Earning a spot means that X-Caliber is one of the best small companies to work for in the nation. The Fortune National Best Workplaces list is highly competitive. Fortune and its partner, Great Place to Work®, publish the list annually.

Great Place to Work®, the global authority on workplace culture, selected the list by using detailed analytics and confidential employee feedback.

“Being named one of the Best Small Workplaces in America by Fortune for the second time is a special honor for X-Caliber,” said President and CEO Chris Callahan. “This recognition highlights the incredible effort our team puts into nurturing a workplace where our twelve core values are embraced daily. Our culture of collaboration, transparency, and mutual respect has not only helped drive our success, but it has fostered a community where our employees are genuinely happy and engaged. Our greatest achievement is to provide and sustain an environment where people feel valued and are inspired to contribute their best.”

Great Place to Work® is the only company culture award in America that selects winners based on how fairly employees are treated. Companies are assessed on how well they are creating a great employee experience that cuts across race, gender, age, disability status, or any aspect of who employees are or what their role is.

This is X-Caliber's third national recognition this year. In January, X-Caliber was certified nationally as a Great Place to Work®. The Company was also recently named a Fortune 2024 Best Workplaces in New York™.
